

# Looking to Secure Your Paging Workflow?

**We've Got the Best of All Worlds**

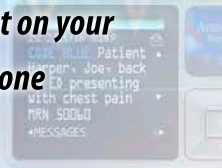

*A tried and true pager now with encryption  
for complete HIPAA compliance*

*An advanced dual frequency pager  
negating the need for some staff to  
carry two pagers*

*AMS Connect, our secure  
messaging app, leverages two  
best in class messaging  
platforms right on your  
smart phone*

**...So You Get Peace of Mind with Redundant Technology**

*American Messaging is offering a revolutionary solution to secure pages while integrating your critical and secure messaging work flow. One low, single monthly price includes:*

- A brand new Encrypted Unication Elite Pager or The CUE® paging device
- An AMS Connect, Secure Text Messaging Mobile Application
- A pager number for simultaneous access to each wireless technology
- A secure connection from your facility to our messaging servers
- A robust message dispatch application
- An expansive online tool to administer your account
