

FOR IMMEDIATE RELEASE

American Messaging Services, LLC acquires Presto Call Paging

LEWISVILLE, TX – April 29, 2015 - American Messaging Services, LLC is pleased to announce it has acquired the paging assets of Presto Call Paging located in Wausau, Wisconsin.

The transaction will provide an increased coverage footprint for the Presto Call customer base and enhance the largest statewide paging network in Wisconsin currently provided by American Messaging. American Messaging and Presto Call share the same mission and values associated with providing dependable critical messaging services to primarily healthcare and first responder customers. The Presto Call customer base will also benefit from the advanced suite of secure healthcare communication products provided by American Messaging.

Dave Andersen, President and Chief Operating Officer for American Messaging commented, "We enjoyed working with Presto Call to construct a transaction that provides incremental value for both parties. Most importantly, a deal that allows Presto Call customers to benefit from investments American Messaging is making to improve paging network reliability along with new secure healthcare communication technology."

About Presto Call

Presto Call, a division of Business Service Center, Inc., is a company located in central Wisconsin that specializes in a wide variety of communications services such as paging, answering services and printed materials.

About American Messaging

American Messaging is one of the largest critical messaging companies in the United States delivering more than 5 million critical messages per day. American Messaging provides service to approximately 900,000 customers, including more than 1,300 major healthcare and first responder clients across the United States.
