The screenshot shows the AMS Unify web interface. The top navigation bar includes the AMS Unify logo and several menu items: Critical Messaging, Secure Messaging, Secure External Messaging, SMS, Account Manager, and Future Services. A user profile icon labeled 'SG' is in the top right corner. The main content area is titled 'User Profile' and contains the same form fields as the 'Previous Page' section. Below the form, there are two checked checkboxes: 'Status Dialogs' and 'Status Icons'. At the bottom, there are four buttons: 'Close', 'Save', 'Upload Address Book', and 'Download Address Book'. A sidebar on the left contains a menu with 'Send Message', 'Message Logs', and 'Profile' (which is highlighted).
